Kailash tour during special occasion

kailash Tour during special occasion can be [Saga Dawa Festival](#) or during [full moon day](#). Saga Dawa is Buddhist ceremonial yearly festival that happened near mount kailash. Saga Dawa Festival will give you a chance to experience various religious events and celebrations. As per Lunar calendar main date of Saga dawa festival occurs different dates every year. Being at Lake Mansarovar or at north face of Kailash in the day of full moon day is special for pilgrimage peoples. They want to spend this special day at bank of Mansarovar and make special puja/ hawan.

High altitude sickness and acclimatization in Kailash region

Whole region of Kailash is altitude and dry land with less oxygen. First day of entry reach about 3,600 miters altitude. Mostly person getting symptoms of altitude sickness at first day till second day is normal. Headache, vomiting, hard of breath, not feeling drinking and eating are normal symptoms of altitude sickness. From second day, symptoms should be out and body should feel more acclimatize to go further as usual. Our Kailash tour package from any route via Nepal and Lhasa have one day acclimatization next day of your arrive in Tibet. This helps a lot. Regular drinking, time to time eating, involve in small hiking help a lot. If symptoms of altitude sickness do not go out or it goes worst, immediately reaching at low altitude is only one option in Tibet/ Kailash. In any worst case, do not force to go ahead. Simple careless of altitude sickness may more dangerous.

Emergency evacuation management from Kailash

Evacuation from Kailash region is driving option only. There is no permission to get emergency Heli chartered by government. When peoples get unexpected sickness and any other emergency evacuation need, immediately driving back with emergency vehicle is possible. All the expenses of emergency evacuation are extra paid but we do look after every arrangement.
