Itinerary Details

Day 01 : Arrive in Kathmandu international airport and transfer to hotel. Overnight at Hotel

A representative from Nepal Highland Treks pick up from the international airport and transfer to Hotel. Your arrival in Nepal should be before 12 to apply for a final Tibetan visa. If you are not able to arrive before this time, your arrival should be a day before. We collect your original passport, a visa picture and you have to fill an Embassy for your details.

Day 02 : Day in Kathmandu for preparation your Tibetan visa

Because we need 3 full working days to get a final visa from the Chinese Embassy Nepal. Today is the day we apply and get an early hour on 3rd day so that we can start to ride the same day from Kathmandu. Spend your time in Kathmandu on your own. Any tour can be arranged in your demand.

Day 03 : Day in Kathmandu. Trip preparation, test riding and Overnight at Hotel

Day in Kathmandu for preparing the Everest Base Camp Motorbike Tour. Tour briefing together with the riding team, mechanic, and team from Nepal Highland Treks. Test riding

Everest Base Camp Motorbike Tour

with your bike around Kathmandu valley in historical places. You can visit UNESCO heritage sites with your bike. Hindu temples, a Buddhist stupa, and Oldest palaces.

Day 04 : Motorbike towards Rasuwagadi boarder from Kathmandu. (124 km – 8 Hours) Overnight at Guest house 2,900m

Get your final Tibet visa from Embassy and start riding towards the Tibet border. It is a short in the distance to buy a long time ride in a mountain road through remote road to Langtang national park till Rasuwagadi through Nuwakot, Dhunche, Shyabrubesi. Today we will not be able to cross immigration and reach the first Tibetan town. We stay overnight near the immigration at Nepal side Rasuwagadi. It is another 24 kilometer further from here to reach Kerung

Day 05 : Cross Nepal Tibet immigration and reach at Kerung (24 km - 1 Hour). Day rest and acclimatization in Kerung. Overnight at Guest house

Ride about 1 hour to reach Kerung. It is a day of acclimatization which helps to be acclimatized your body in altitude. Also, try to ride around the town and may reach up to the second Kerung town altitude almost 4000 meters. We prepare for next riding into scenic Tibetan road near Everest

Day 06 : Motorbike to Tingri (255 km - 7 Hours) Overnight at Guest House 4,300 mt.

Ride in big and well-paved road over the highland of big Tibetan plateau. The Himalayas are stunning from high passes. Explore beautiful lakes and the local settlement with their daily unique activities. Tingri is a unique Tibetan town from here, we can see Mount Everest view and other neighbor mountain peaks

Day 07 : Motorbike to Everest Base Camp (5,200 mt.) and ride back to Rongbuk Monastery (78 km). Overnight at Guest House 5,000m

It is the day of reaching Base Camp of Mount Everest's north side. Ride to there through the Rongbuk monastery. Exploration and ride back to Rongbuk for overnight. Rongbuk is the last tea house point near Everest Base Camp. A clear view of Mount Everest and other mountains can be seen from here.

Day 08 : Spend easy morning at Rongbuk with the scenic view and ride back to Tingri (70 km). Overnight at Guest house

Morning time spends with a scenic view of Mount Everest and other Himalayan peaks. Visit the oldest Rongbuk monastery nearby. The latter ride back to Tingri via the same road. It is only a short riding back to Tingri from Rongbuk. Time spend to take pictures of Himalayan ranges and visit Rongbuk Monastery

Day 09 : Motorbike back to Kerung (255 km - 7 Hours). Overnight at guest house

The same way back to Kerung today. Well paved road with scenic views of Lakes, Mountain, Land, and local Tibetan settlement. we also can enter the village and explore the local houses, their lifestyle from near. Overnight at guest houses.

Day 10 : Ride back to Kathmandu (124km – 8 Hours). Overnight at Hotel

Ride down to the Nepal Tibet immigration. Say goodbye to Tibetan driver and Guide. After immigration formalities, ride again to Kathmandu Nepal in the same way.

Day 11 : Day of final Departure

Final departure from Nepal. our representative drops you to international airport. It is important to reach the international airport before 3 hours from your original flight time
