Transportation

it is private coach as per group size. For small group, we provide VAN. We provide you Nepali transportation in Nepal site and Tibetan transportation in entire Kailash with air-condition. During Kailash Parikram, vehicles are not allowed. It only allow up to valley of the God.

Acclimatization

Kailash Overland Tour

Kathmandu is about 1,400 meters you reach first day. Third day of the trip reaches at Kerung (Nepal Tibet border) which is 3,500 meters (Tibet site). Everyone is staying there for 2 nights and doing some fitness activities like hiking and walking. This is much helpful to acclimatize your body in high altitude. Next day saga is 4,550 meter altitude. We stay almost in same altitude for another 3 nights which is again more acclimatized and helpful to reach 5,645 meters Dolma La pass during Kailash Kora.
